RE: Lifting Mechanical Streetsweeping Parking Restrictions

Director Sharkey and Acting Director Garbark:

I write to thank you for our conversation this evening. As discussed, due to the potential spread in Baltimore City of Covid-19, and for the protection of the general public, many residents will be working from home and will not be moving their vehicles during the daytime. As such, mechanical streetsweeping parking restrictions create an onerous burden for our residents during this challenging time.

Thank you for your commitment to lift mechanical streetsweeping parking restrictions indefinitely until further notice and for your commitment to not issue parking citations for these posted restrictions. This is yet another example of Mayor Jack Young's Administration agencies making practical and swift decisions during this challenging time to keep our City safe and ease the burden on our residents.

Should you have questions, please feel free to contact me directly at eric.costello@baltimorecity.gov or 410-396-4816.

Sincerely,

A handwritten signature in black ink that reads "Eric T. Costello".
